Barry McKimm

Violin Concerto
This violin concerto was composed in 1980 for Leonard Dommett, concert master for Melbourne Symphony Orchestra. The premier performance was in 1980 with MSO, conductor Patrick Thomas. For this performance Leonard Dommett played Movement 2, "Andante Tranquillo", as a solo work for viola and orchestra. This was a special request from Leonard Dommett. Later "Andante Tranquillo" became a stand alone work. The second movement for violin and orchestra has never been played. This second edition 2016 is for Tobias Broeker.
